Exclusive Sailing Charters in the Caribbean
Aboard *Shanti*
our 42 foot catamaran

Shanti is a 42 foot Fountaine Pajot
Venezia catamaran

A “Four Bed, Two Bath” version, *Shanti* is spacious, stable and fast with plenty of outdoor areas for lounging.
We have a water maker, solar and wind power and the other conveniences to make your time aboard very comfortable.

Recently re-rigged and overhauled to the most exacting standards, *Shanti* combines the charm of the earlier hand-built catamarans with the convenience and comfort of the new boats.

We will be cruising the fabulous Bocas del Toro area in late 2023 before heading up to Costa Rica, Nicaragua, Belize and beyond

With countless white, sandy beaches throughout the Caribbean, there is no end to the beautiful places to see and explore

We are surrounded by clear, warm waters...

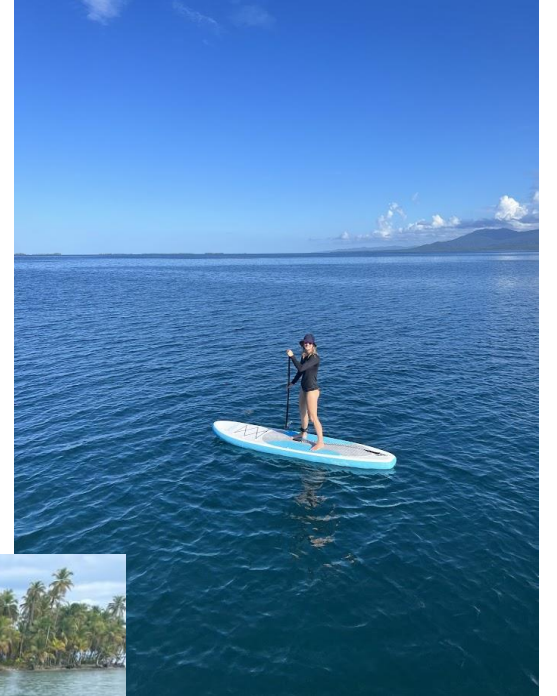

...and calm

Our dinghy gives us easy access to the most remote islands and reefs.
We also have all the snorkel gear, two stand-up paddle boards, an inflatable kayak and other water toys to make your experience the best it can be.

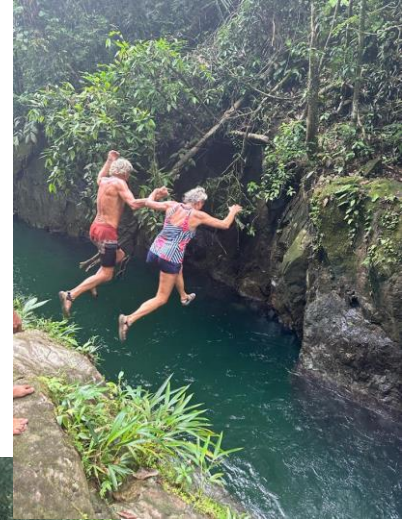

We make time to snorkel the best spots

And take brief excursions onshore to see the tropical forests...

...colorful towns....

...and the vibrant island people...

...and savor the local cuisine...onboard and onshore.

Whether you want to explore the coral reefs, get your toes in the sand or just chill on board, your hosts Sue and Justin will make this sailing trip an adventure of a lifetime for you. With four decades of sailing under their keels, you can be assured of your safety and comfort.

Some details...

Shanti is moving around the Caribbean and will be in Bocas Del Toro in western Panama in late 2023. We will update you on our latest position and plans for upcoming passages.

To keep your experience exclusive, we offer 3 to 7-day charters – one party at a time. Usually this would be only one or two couples with a maximum of 4 guests, but other arrangements may be made.

Our rate of \$150.00 per person per day is inclusive of all meals, local beer and wine and use of all the fishing, snorkeling, and paddling gear on board. It excludes travel costs to and from the boat and onshore excursions.

We are happy to provide more information upon inquiry.
